

**Children scheduled to attend the November 14, 2009
Adoption gathering and videoconference (subject to change)**

Child's name, age, race	Child's interests
Kerrie, 17 African American	<i>Kerrie is a good student who hopes to become a pediatrician someday, an area in which her great compassion for others will come in handy. Until then, Kerrie will continue to keep herself busy with her schoolwork, enjoying good music, eating good food, having good conversations, dancing, acting and playing card games.</i>
Devan, 8 White	<i>Devan is an adorable little boy who loves to play and is full of energy! Though diagnosed with severe autism and being nonverbal, he is able to physically communicate his needs.</i>
Quendarius, 14 African American	<i>Future accounting or criminal justice major Quendarius is a bright student who loves to play sports, especially football and basketball. Outgoing and talkative with a great sense of humor, Quendarius enjoys socializing with his friends and playing video games.</i>
Jeremy, 11 White	<i>Jeremy enjoys playing computer games, drawing, watching TV, playing with toy cars and doing outdoor activities. He has a great imagination and loves to talk and make others laugh.</i>
Dillin, 13 White	<i>Dillin loves to talk, play with Legos, swim and go to amusement parks. He also loves playing video games and hopes to own several video game stores in the future.</i>
Antwan, 14 African American	<i>Antwan is a well-mannered teen with an infectious smile who enjoys playing video games, doing puzzles, reading, doing outdoor activities, doing karate and telling jokes.</i>
Abdul, 7 African American	<i>Abdul is non-verbal but repeats words like "yes," "no" and some numbers with prompting. He loves cartoons, toys, puzzles and play phones. Abdul was diagnosed with Hypoxic Ischemic Encephalopathy, a brain injury. He has autism and mild mental retardation.</i>
Anthony, 15 White	<i>Anthony is a compassionate young man who loves to laugh! He also likes to make others laugh by joking around and performing magic tricks. Anthony has lots of other interests . . . he enjoys playing video and board games and riding roller coasters! And, he loves the outdoors and playing sports! Anthony looks forward to being a football player.</i>
Wesley, 15 White	<i>Wesley is interested anything having to do with computers, but is most interested in the video game and computer animation aspects. Wesley is advanced academically, but has Asperger's, so attends Special Education classes.</i>
Trae, 13, and Todd, 12 White	<i>Both boys like playing video games and watching television. Trae also really likes Pokémon cards and is learning how to play the piano. Todd would like to learn how to play the guitar. Both of the boys would like to play baseball.</i>
Aleta, 16, and Chris, 15 African American	<i>Aleta turned 16 yesterday! She is a sweet girl and a good student who hopes to become a pediatrician someday. Her favorite subjects are science, spelling and reading. She also enjoys swimming, shopping, doing outdoor activities, spending time with her friends, reading, going to the movies and working on the computer. Her brother Chris is also a bright student who also hopes to become a doctor someday. He excels in math, but also has many non-school activities he loves such as playing basketball and football and going swimming, hanging out with his friends, hearing jokes and watching cartoons.</i>
Chayna, 15 African American	<i>Chayna loves to play basketball, football, and go bowling. She would like to be a cheerleader before graduating from high school. She also enjoys going to the mall, theme parks, and swimming. She would like to pursue a career in social work.</i>
Brittany, 16 White	<i>Brittany enjoys talking, surfing the web, listening to music, dancing, riding roller coasters and going on field trips. She also enjoys caring for animals. Brittany wants to be a social worker, veterinarian or therapist in the future as well as a foster parent!</i>
Isaiah, 13 African American	<i>Isaiah is an active teen who loves to learn new things, laugh, play and compete in sports, especially basketball. He also enjoys drawing, reading, playing video games, watching television and listening to music.</i>
Tiffany, 13 White	<i>Tiffany is an animal lover! She loves stuffed animals and real animals. She also loves being a girly girl and being a tomboy.</i>

D'Andrea, 14 African American	
Christopher, 15 White	<i>Christopher is a caring teen who loves to collect items and share them with others. Video games, bike riding, jigsaw puzzles, trips to the library and reading Japanese comic books are among his favorite activities. He would like to be a video game designer.</i>
Plennie, 13 African American	<i>Plennie likes playing sports and video games. He also enjoys doing art work.</i>
Kenyon, 13, and Kayla, 10, African American	<i>Both Kenyon and Kayla like listening to music, going to school, playing sports, shopping and eating out. Kayla also likes skating, coloring and playing. Kenyon describes his sister as "smart and funny." Kayla says much the same about her brother. "He's smart, funny and he's good at football."</i>
Richard "Eugene", 11 White	<i>Eugene loves to sing, listen to music, color and play with stuffed animals. He also enjoys sports, especially basketball, and riding his bike. Eugene also likes trucks and motorcycles. Diagnosed with Cerebral Palsy, Eugene does require assistance with some of his day-to-day tasks.</i>
Kirea, 14, and Ja Maya, 10 African American	<i>Kirea (pronounced "Kiera") is a well-mannered teen who likes to sing, dance, cheer, read, and play board games. She also likes to help others and loves kids. Her sister, Ja Maya, plays on a recreation basketball team, which she enjoys. She also enjoys singing, dancing, playing sports, running in races, reading and drawing. Ja Maya is very energetic and loves to help others.</i>
Dakota, 14 White	<i>Dakota is a very friendly and outgoing teen. He loves basketball and music.</i>
GeVontae, 14 African American	<i>GeVontae loves animals, especially dogs. He also loves to play video games! He is in the 9th grade, is a good student, and likes sports, too!</i>
Andrew, 12 White	<i>Andrew loves sports of all kinds but his favorites are basketball and football. He enjoys bike riding and is interested in cars and trucks (big trucks/tractors). Andrew enjoys being outside; anything outdoors is fun for him.</i>
Tiffany, 15 White	<i>Tiffany enjoys shopping, listening to music, doing arts and crafts, and anime cartoons.</i>
Omaria, 9 African American	<i>Omaria is a sweet, intelligent and caring child who enjoys riding her bike, playing outside and going to church. She also enjoys singing, writing, reading and being read to.</i>
